## wedding photography - testimonials

"We were absolutely overwhelmed with the quality of wedding pictures received from Dan. I had said to Dan just make me look beautiful. And he did. I know I will never see pictures of me like it again. He is a pleasure to work with. On the day he was so discreet in the church, the guests commented on how the photographer was organised, professional, and a real gent, along with Mary his lovely wife assisting they made a great team. Dan visited the church and venue before the date and done his homework, he certainly went that extra mile. He really listens to what you want and gives the right guidance. Dan is very caring and sympathetic to your requirements. Seeing other wedding party pictures and comparing the composer, arrangement, and quality, the images Dan creates and produces is in a league of its own. I highly, highly, highly recommend Dan, you will not be disappointed!!!"

### Kim - Wantage

"Having struggled to find a photographer for our wedding who would be flexible to the needs of our small intimate ceremony, I am thankful that I stumbled upon Dan's details whilst searching online. Dan is a consummate professional, who will go the extra mile to ensure that the images he produces are of the highest quality whilst also being very sympathetic to his subjects and their day. The pictures we have are beautiful and Dan was a joy to work with - his enthusiasm and attention to detail are matched only by his skill behind the lens. A review of Dan would not be complete without a mention of his assistant, his wife Mary, who welcomed us into their home on a Sunday afternoon prior to the wedding for our initial meeting with Dan, and who was also there on the day making sure things ran smoothly. Very highly recommended!"

### Lisa - Clifton, Beds

"I would absolutely recommend Dan Evans Photography to anyone. He went out of his way to find out exactly what we wanted and asked lots of questions beforehand, meaning everything went really smoothly on the day. He was very organised, but more importantly an enormously talented photographer. He captured the detail and atmosphere of our big day perfectly, meaning that we have the most beautiful set of wedding photographs to treasure forever. I never tire of looking at them!"
